Subject: Technical Section -- EE demonstration

Hi Richard,

We have uploaded the technical sections of the EE demonstration to a Google Drive for your review. I wasn't sure if you had a Google account so I sent you an invitation to the folder in the form of a link (you should have received an e-mail -- let me know if it didn't come through).

Feel free to add comments directly to the Word docs or summarize in an e-mail.

Thanks Richard and don't hesitate to contact me with any questions you may have.

Best,
